### Evacuation Policy

The overall aim is to save life, therefore evacuation is of paramount importance. Staff are not expected to fight fire nor should they go back into the building.

Anyone discovering fire or smoke should raise the alarm by breaking the glass at the nearest alarm point.

Fire drills are carried out at least once a term and recorded in the fire Certificate Log Book which is kept in the school office.

On hearing the alarm:

Direct children to walk quietly to the nearest exit and then walk quietly in single file to the assembly points on the playground.

Children will line up quickly and quietly.

Ensure that the classroom is empty before leaving and close the door on exit. Everyone on site, children and adults must leave by the nearest exit.

Office staff will call the fire brigade and check that the photocopying room and staff toilet are empty.

Two senior designated members of staff will check the children's toilets are empty.

The admin staff will issue registers and check signing in book for roll call by class teachers at the assembly points. Admin staff will also unlock the playground gate to allow access for the fire brigade.

The Headteacher or designated member of staff will check that all adults and children are accounted for.

Classes should stand still and quiet until asked to re-enter the building.

NB: As the attendance register reflects the true number of children in school at the start of the morning or afternoon, it is important that it is completed quickly and accurately and then returned to the school office. Please ensure that children arriving after registration has taken place report to the school office.

Teachers should be mindful of any child that is later taken off site for illness or an appointment .

If any visitors are present the adult they are working with should ensure that they know what to do.
